

Specification

Model	LC-703U
Printhead Type	I3200-U1
Printhead Number	3 pcs
Printing Width	650mm
Printing Precision	720x1200dpi/720x1800dpi/720x2400dpi
Print head spray	Anti-blocking flash spray and automatic moisturizing
Ink type	UV DTF ink
Ink Color	CMYKWV/CMYKVVPSA
Cartridge capacity	1500ml/color
Ink Drying System	UV LED light+ UV water box
Laminating Rubber Roller	High temperature, support hot stamping
Laminator Pneumatic Lift	Bilateral cylinder
Laminator Moving Rod	Control the balance of lamination and paper feeding
Material Thickness	1-3mm
Printing Media	Special materials for crystal labels, AB film, etc.
Loadable coil weight	40 kg (below)
Taking Up Device	Front product film take-up device + rear protective film take-up device
Feeding Device	Standard
Operating system	Windows
Operating language	English/Chinese
Working environment	Temperature range:18 °C~25 °C; Humidity range: 35%~65%Rh
Print interface	USB
RIP software	Maintop (Option PhotoPRINT)
Power (W)	Standby: 32W, Max: 1200W
Machine Dimension	1850mm x 940mm x 1520mm (LxWxH)
Net Weight	180 Kg
Packing Dimension	1930mm x1120mm x 750mm (LxWxH)
Gross Weight	220 Kg

* Specification do as present one, if there is a change without notice!

LC-703U UV DTF PRINTER For Crystal Sticker / AB Film

ZHENGZHOU YUCAI ELECTRONICS TECHNOLOGY CO.,LTD

Epson original printhead printing speed

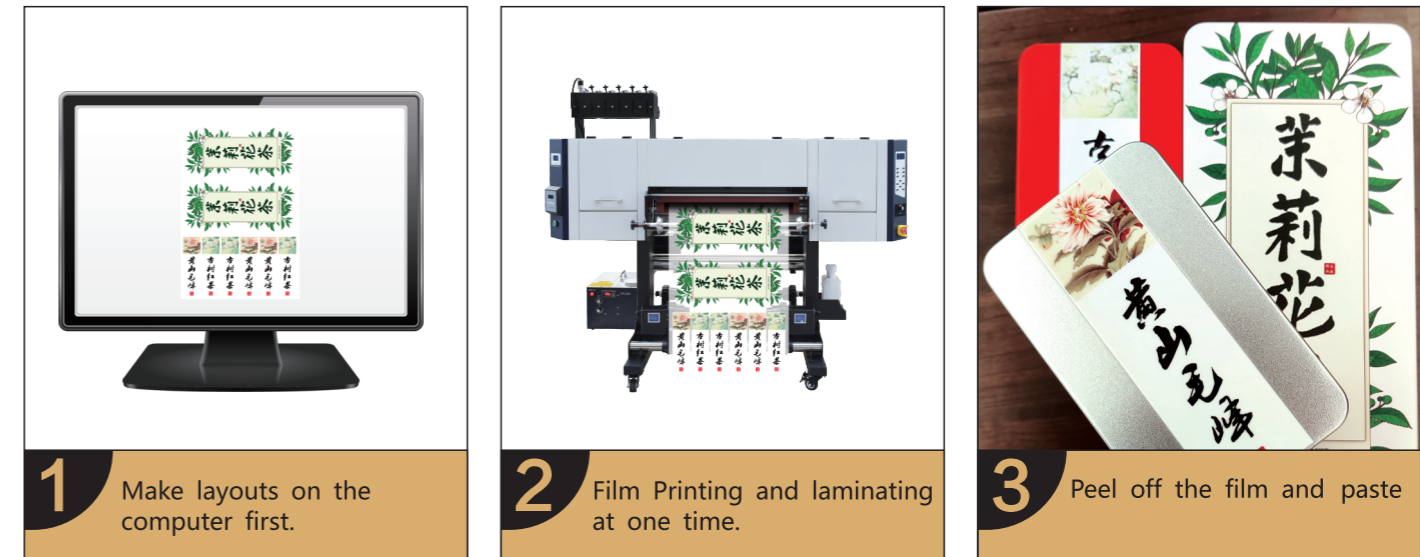

● Epson I3200-U1 Speed Color + White + Varnish

Intelligent Operation Printing and High-Quality Mechanical Design

<p>1. Guide rail With the silent guide rail, the printing process is more stable and the noise is low;</p>	<p>2. Widened platform Better adsorption material, more stable printing.</p>
<p>3. Static eliminator Effectively avoid the interference of static electricity on the printing of the nozzle and improve the printing accuracy.</p>	<p>4. High quality rubber roller The rubber roller with a diameter of 65mm has good flexibility to ensure that the image quality is not deformed.</p>
<p>5. Laminated Processor Realize printing while laminating, greatly improving the drawing speed and saving costs.</p>	<p>6. Press roller The adjustable pressure roller is more convenient to use.</p>
	<p>7. Ink supply system Dalian ink supply system + white ink automatic agitator + ink shortage alarm + constant temperature heating device for ink supply, improve the smoothness of ink supply, higher printing accuracy, and save time and effort when using ink.</p>
